

Application

Applicants for the program will be required to complete the following application form and submit to the Roskamp Institute Ph.D. Program Administrator who will screen for eligibility.

Eligible applications will be reviewed by the Roskamp Institute Admissions Committee, and competitive applications will be selected for interview in person or by tele/video conference.

Roskamp Institute
Ph.D. In Neuroscience
Admission Requirements

The admissions requirements for the Ph.D. program are as follows.

A prospective candidate must have:

- *For UK students* a Bachelor's degree of class 2.1 or higher in a biological sciences field.
- *For US students* a Master's degree in a biological sciences field *or* a Bachelor's degree
Plus:
 - Either one year of post-graduate full-time laboratory research at the Roskamp OR
 - Two years of post-graduate full-time laboratory research with another institution and demonstrated productivity.
- *For students from other countries* equivalency to either UK or US student requirements as stated above

Admission will be based on an evaluation by the Roskamp Institute Admissions Committee. The Admission process will weigh many factors including the applicant's scholastic record, prior performance in laboratory research, letters of recommendation, statement of purpose, and suitability to the Program and the Project.

If you would like to submit your application, please download the application form and send through email to:
